CH RIPSNOTER'S MT. VIEW LOOKOUT

When Jim Witt made his choice of the litter, he had no idea what his puppy's destiny would be. But, his wife and long time breeder, Helen, quickly saw that her husband's pet was destined for Greatness. When the Witt's and co-owner, Joyce Wilkinson, began to put together a Team to campaign Scout, they looked for integrity, stamina, talent and determination.

Their search led them to Frank Murphy, Rhanda Glenn & Kiki Courtelis. Add a great photographer, Christina Freitag and you have the complete recipe for success.

Since January, Team Lookout has made Scout a serious contender in the Sporting Group and Best In Show competition. Along with his co-breeder's, Claire & Kelly Wisch, the Team appreciates all who have recognized how Scout depicts The Standard with his exceptional type, conformation, outstanding movement and coat. But, a special thanks goes to Jim who has allowed three women to fulfill a dream by letting them take his hunting, six-wheeling and best friend for the ride of their lives.
